Executive Engineer, Tumkur Division, in a sealed cover. The name of the work and the full address of the contractor should be written on the cover. The Chellan Number may also be noted on the cover.

2. Each tender should be accompanied by a treasury chellan for having credited the earnest money under Revenue Deposits. After tenders are disposed off the treasury chellan accompanying the tenders of unsuccessful tenderers, will be returned to them by the Public Works Department with an endorsement signed by the Divisional Officer to the effect that the tender is rejected and the amount of the chellan may be repaid to the party concerned. No dues from the Department or cheques will be accepted.

3. Individual rate should be quoted for each item of work. Tenders on percentage basis will not be valid.

4. For items not provided in the estimate and for L.S. items schedule of rates will be paid, or as per data worked out during the execution of the work.

5. The estimate and plan can be seen by the contractors, during the working days between 11 A.M. and 5 P.M.

6. Rates quoted will hold good till the work is completed. The rates quoted by the contractor will be considered as inclusive of Sales-tax. No separate claims for Sales-tax will be considered. The contractor should furnish In come-tax certificate with the tender or before the execution of agreement at the latest, failing which, the tender will be cancelled and forfeited.

7. No conditional clauses will be accepted.

8. The tenders will be opened by the Executive Engineer, in the presence of such tenderers who wish to be present on 19th October 1953, at the Executive Engineer's Office at Tumkur. The final acceptance of the tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

9. The name of the successful tenderer will be posted on the notice board in the Executive Engineer's Office after the tenders are settled. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental schedule contract form. Failure to comply with this condition, the earnest money of this contractor will be forfeited and the tender will be disposed of otherwise.

1. The tenders will be opened in public at 3 P.M. on 3rd November 1953. The work should be completed and handed over to the Department in tidy condition within the period noted and the monthly progress should not be less, than the amount specified against each work failing which penalty as per agreement or departmental rules in force at the time will be enforced.

2. The plan, detailed estimate and the conditions may be seen at the Offices of the Executive Engineer, Electrical Division, Tumkur, the Assistant Engineer, No. 3, Electrical Sub-Division, Chitaldrug during the office working hours.

3. Tenders are to be submitted in prescribed forms only which can be had from this Office on payment of Re 0-4-0 per set of form for each work. The forms can also be had through post direct to intending tenderer provided the cost of forms plus postal charges, in case forms to be sent by post, is paid in cash and requisition be given well in advance. This office will not be responsible for delay or non-delivery of tender forms sent by post.

4. Each tender must be accompanied by a deposit specified as earnest money. The earnest money has to be paid in cash at this office or any Power and Lighting Office of this Department and receipt enclosed to the tender. In case of tender deposit of over Rs. 500 Government Promisory Notes of the Government of Mysore or of Dominion of India at their face or present value or savings Bank Deposits in Mysore Government Treasury duly pledged in favour of the Executive Engineer, Electrical Division, Tumkur, may be accepted by the Executive Engineer at his discretion.

5. No tender will be received without deposit and no adjustment can be made from the pending bills or the deposits of other works towards the tender deposit of this work.

6. The final acceptance of any tender will rest with the Executive Engineer, Electrical Division, Tumkur, who does not bind himself to accept the lowest or any tender, or to assign any reasons whatever for the rejection of any tender, who also reserves the right to accept or reject any portion of the tender.

7. The name of the successful tenderer will be posted on the notice board of the offices referred to in Para 2 above in due course. No enquiries regarding the acceptance or rejection of tender will receive any reply.

8. Within 8 days of the award of the tender, the successful tenderer will be required to execute the usual contract bond in default of which his tender will be considered cancelled and his earnest money forfeited. The work should be started within a week from the date of acceptance.

9. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned either in this office or through the Assistant Engineer or any of the Power and Lighting Office of this Department on the tenderer submitting refund bill surrendering the original receipt granted.

10. The contractor has to make his own arrangements at his cost for water required for construction, quarries, supply and transport of materials. This department does not undertake to provide lorries or petrol coupons.

11. Specifications for Civil Engineering works are those recognized by the Public Works Department of Mysore and Marryot's Specifications (P. W. D. Handbook, Bombay) and B. S. S. or A. I. E. E. Specifications for Electrical Works.

12. Only controlled articles like steel and cement, etc., will be supplied by the Department at the nearest departmental stores at controlled rates *plus* incidental charges at 15 per cent or other percentage as per departmental rules in force at the time of issue of the materials.

13. Contractor himself should pay royalties, tolls, sales tax and any other tax that may be prescribed by Government from time to time.

14. As per Mysore Government Notification No. O.M.F.L. 6091-2—G.F. 60-50-6, dated 21st October 1950, the Contractor should furnish income-tax clearance certificate with the tender or before the execution of the agreement at the latest, failing which the tender or contract will be cancelled and the tender deposit forfeited.

15. The contractor should be bound by the conditions of the Schedule of Contract of the Electrical Department.

L. NARAYANA JOIS,
Executive Engineer.

1069

BUILDINGS DIVISION, MYSORE.

Notification dated 26th September 1953.

Sealed tenders duly signed by the contractors will be received in the Office of the Executive Engineer, Buildings Division, Mysore, for the following work and the last date for receiving the tenders being Saturday the 26th October 1953 at 12 NOON.

Name of work	Amount of estimate Rs.	Earnest money required Rs.	Work to be completed by the end of	Monthly progress not less than Rs.
Constructing a building for running a canteen in the compound of "SILPI NILAYA" Office of the Superintending Engineer, Cauvery Circle, Mysore.	9,000	450	March 1953	2,000

2 The prescribed tender forms can be had at the Office of the Executive Engineer, Buildings Division, Mysore on payment of rupee one per form. Tenders submitted in forms other than the printed forms will be rejected.

3 Each tender must be accompanied by a duplicate treasury chellan for having credited the amount of Rs. 450 (rupees four hundred and fifty only) as earnest money under "Revenue Deposits" and Savings Bank Pass Books or any other adjustment of amount due by Government to the tenderer will not be considered and be superscribed as "Quotation for the construction of a building for running a canteen in the compound of "Silpi Nilaya" (Office of the Superintending Engineer, Cauvery Circle, Mysore).

4 Specific rates should be quoted for each individual item of work which should be inclusive of all taxes prevailing in the area, and the tendered rates should be in words also. Tenders offering percentage reduction or increase will be rejected.

5 For lumpsum provision for non-tendered items, the rates will be paid as per minimum current schedule or as per data with not more than 10 per cent for contractor's profit.

6 The final acceptance of the quotation will rest with the Superintending Engineer, Cauvery Circle, Mysore who does not bind himself to accept the lowest or any quotation or to assign any reason whatever for the rejection if any.

7 The successful tenderer should bind himself to abide by the departmental rules in force and execute necessary contract agreement within a fortnight from the date of communication of approval to his quotation, failing which the earnest money will be forfeited to Government.

8 The earnest money of the rejected tenders will be refunded on application only after the receipt of the approval to the successful tenderer is received.

9 All over-writing and corrections while submitting the tenders should be attested to by the tenderers.

10 The quantities given in the estimate are only approximate and drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or any additions at the discretion of the Executive Engineer, Buildings Division, or any higher authority. The quotation rates will hold good for any quantity whether higher or lower than those given in the estimate.

11 The contract should not be sublet.

12 In case of any accident to the labour employed by the contractor during the course of construction, the contractor should pay the compensation to the injured as per rules of Government in force, failing which the amount will be deducted out of his claims and paid to the injured.

13 In case the work is not completed in time, penal clause of agreement for the short progress will be enforced.

14 Tenders received after the date and hour mentioned above will be rejected.

15 The name of the successful competitor, whose tender has been accepted will be pasted on the notice board in the Office of the Executive Engineer in due course. No enquiry regarding the acceptance or rejection of a quotation will receive any reply.

16 Rates once tendered will not be enhanced on any account.

17 In all matters not specifically provided and in all matters of dispute about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

18 The Income-tax clearance certificate to be enclosed along with the quotation, and quotations received without the certificate are liable to be rejected.

19 Detailed estimates, plans and specifications may be seen in person by the tendering contractors at the office of the undersigned between 11 A.M. and 5 P.M.

4724 B. V. PATANKAR, *Ex. Engr.*

UPPER CAUVERY DIVISION, KRISHNARAJANAGAR.

Notification dated 17th September 1953.

It is hereby notified for the information of the public that the unserviceable articles, as per list notified on the Notice Board of the Executive Engineer, Upper Cauvery Division, Krishnarajanagar, will be sold by public auction in the presence of the Executive Engineer, Upper Cauvery Division, Krishnarajanagar, on 19th October 1953, or any one authorised by him, at 3 P.M. in the office premises.

The intending public may bid for the same.

The articles will be knocked down to the highest bidder who may obtain the same on payment of the bid amount in full at the close of the auction.

The articles may be seen in the Divisional Stores on any working day between 11 A.M. and 5 P.M. A list of articles to be auctioned is available in this office and can be seen during the above timings.

The decision of the undersigned will be final in all matters of disputes.

4822 K. N. SURYANARAYANA SASTRY,
Executive Engineer.
